U.S. CONSUMER PRODUCT SAFETY COMMISSION  
WASHINGTON, DC 20207

**STATEMENT OF THE HONORABLE MARY SHEILA GALL  
ON RECOMMENDATION THAT THE COMMISSION  
COMMEND CANNONDALE CORPORATION FOR  
ITS ATV SAFETY-RELATED ACTIONS**

January 5, 2001

On two previous occasions, the Commission has approved resolutions commending the safety-related activities of all-terrain vehicle (ATV) manufacturers and distributors. While I found the activities undertaken commendable, I abstained from voting on the resolution. Certain companies, whose activities I also found deserving, were excluded from recognition. The present resolution does not change that situation and, accordingly, I abstain from voting on it for that reason. While I support Cannondale Corporation's ATV safety action plan, I believe it is inappropriate to commend only certain ATV manufacturers and distributors and not to recognize all who have worked diligently to develop substantial ATV safety programs in the spirit of the expired Consent Degree.
